

VALLEY STRONG'S

**COMMUNITY
RESOURCE GUIDE**

FOR CUSTER COUNTY

The Wet Mountain Valley Community Foundation was founded in 1999 and has distributed over \$5 million to 100+ nonprofit organizations in Custer County in the past 25 years.

A MESSAGE FROM VALLEY STRONG

The **Valley Strong Fund** is a designated fund within the **Wet Mountain Valley Community Foundation**. The purpose of the fund is to **foster and strengthen community building** by supporting education, communication, programs and events which celebrate and advance community relationships.

Part of what makes our valley so resilient is the **true sense of community** and plain resourcefulness that comes from living and thriving in the Wet Mountain Valley.

Valley Strong decided in Spring of 2024 to create a guide of all the latest known and available county resources and make this information free and available to everyone. This is how the **Custer County Community Resource Guide** that you hold in your hands came into being.

We've tried our very best to ensure all information is as up-to-date and correct as possible. Let us know if you find something amiss by emailing us at:
